Alberta

Solo Growth has expanded our overall potential retail footprint to 60 locations in 38 communities across Alberta and has received 18 municipal development permits from 15 of those communities. The Company has applied for Alberta Gaming, Liquor and Cannabis Commission (“AGLC”) licenses for every location where development permits have been received. The first three YSS locations are in the final phase of construction and we are targeting opening at the end of October dependent upon receipt of AGLC licenses and delivery of first inventory.

Solo Growth is finalizing construction plans and anticipates commencing construction on eleven new stores over the next month, including our first YSS stores in Calgary and Edmonton. The remaining four development permits relate to new builds where tenant improvements will commence once the developer provides access. The Company reiterates our target to open five stores in Alberta by year-end 2018, subject to AGLC licensing.

Ontario

As previously announced, Solo Growth has entered into an exclusive agreement with Avison Young (“AY”), a commercial real estate services firm, to identify premier, high-traffic storefront locations across the province. To date, Solo Growth has secured 32 locations under executed offers to lease across 20 communities including Toronto, Barrie, Brampton, Hamilton, Kingston London, Waterloo and Windsor.
